

PC-CARE Teach and Talk

Starting
Wednesday
June 10th!

A NEW weekly-virtual
PC-CARE community group

For PC-CARE
Providers

Are you looking for
a few new tips and
tricks to make your
PC-CARE services
even more
successful?

Do you have
client questions
and want some
answers from the
PC-CARE
developers?

Are there parts of
the treatment that
you still have
questions about
or are trying to
polish?

Join us for a weekly virtual Teach & Talk with **PC-CARE** developers **Lindsay Armendariz** and **Dr. Brandi Hawk**.

Each week we'll briefly cover a topic and take some time to consult with providers about some of the issues coming up in their PC-CARE practice.

\$30 per session

or

**8 session pass for
only \$200**
