

Qualsafe Level 3 Award in BLS, AED and Management of Anaphylaxis for Adults, Children & Infants (RQF)

COURSE OVERVIEW

This qualification is for people who have a specific interest or responsibility at work, or in voluntary and community activities, who may need to provide adult, child or infant Basic Life Support (BLS) interventions, safely use an AED and manage a casualty suffering from anaphylaxis.

Packed with real-life practical scenarios we aim to make this an interactive experience.

Our team of expert trainers have over 20 years experience working on the front line of ambulance services and in clinical settings as registered healthcare professionals.

WHAT IS COVERED?

- Adult Basic Life Support and AED
- Child Basic Life Support and AED
- Infant Basic Life Support and AED
- Unconscious Casualty
- Management of Anaphylaxis
- Choking
