

# THE PERFD<sup>OG</sup> POST

## THANK YOU

*for your support*

2020 was a challenging year for dog clubs. Nevertheless, many clubs safely held their hunt tests and field trials. PerfDog is looking forward to helping more clubs run their events in 2021!

We added many new features and improvements last year, which allowed us to begin spreading the word about our small business. We're grateful for the support and confidence that event participants & clubs have placed in us and we thank everyone for the referrals and feedback! We're always improving PerfDog and all comments and suggestions help us continue to make it better!

New features for fall 2020 and early 2021 include clinic registrations and the ability to search for a dog's or judge's history from the home page!

Stay tuned for more new features in the coming weeks!
