6. Price for the Services

6.1. General provisions

The price for the Services is listed in Euros, including VAT, for each Sale. The price shown first is an estimated price per person based on two adults staying in a double room for hotels and flights + hotels, and price per lodging for residences.

Prices are shown in Euros including all taxes, but excluding administrative fees of 25€ per Order.

The administrative fees shall be the Customer's flat-rate share of PERFECTSTAY.COM's costs for processing the Order.

Occasionally, the administrative fee may be offered. In such case, the administrative fee is shown as 'free' on the website. While the administrative fee may be waived during such promotional offer for online bookings, the administrative fee may still apply for bookings placed by phone through our customer service.

Depending upon the Sale, the Customer may add various options of his/her choice to the base Service. The price shall include all Services described, with the understanding that the Customer's personal expenditures are not included and shall remain his/her responsibility (options selected on site, telephone toll charges, beverages when not included, etc.).

For Hotel Services, reserving a room other than a double room shall be an option for a fee.

Tourism or travel taxes vary by destination and are not included in the price displayed. They will be collected locally by the lodging service providers.

The Customer has also been notified that some additional taxes or fees related to the

selected Service may be imposed by the authorities in some countries and are not included in the price of the Service. Unless otherwise mentioned in the description of the Services, the Order price shall not include the following:

- Tips.

PERFECTSTAY.COM draws the Customer's attention to the fact that errors may affect the price of the Service. In compliance with applicable regulations, PERFECTSTAY.COM shall reserve the right to cancel any Order if a display or technical error makes the price of the Order clearly ruinous or cut-rate.

Unless otherwise mentioned in the description of the Services, the price of travel packages including air travel shall not include the following:

- Exit taxes sometimes required that must be paid on site upon checking in for the return flight
- Travel between airports

6.2. Price revision before the start of the travel or stay

6.2.1 After confirmation of the Order but before departure, the price of the Service may be changed in relation to increases or decreases in

- The cost of transporting passengers, due to prices for fuel or other energy sources. The cost of fuel is expressed in US Dollars. This change will then be divided in proportion to its share in the calculation of the share of the price of transport for the reserved trip (the reference index is the Jet Kerosene Cargoes Cif NWE with a rate confirmed on 10/31/2016)
- The rates for taxes and duties on the travel services included in the Order, imposed by a third party not participating directly in the execution of the contract, including tourist taxes, landing or takeoff fees, and disembarkation fees at ports and airports
- The Dollar/Euro currency exchange rate applied to the trip or vacation. The reference Dollar/Euro currency exchange rate used to establish the price shall be the rate in effect three months before the Order date.

Such changes shall only be added to the price of the Service in proportion to their share of the total price of the Service.

6.2.2. In the event of a price increase of less than 8%, PERFECTSTAY.COM will notify the Customer of this in writing at least 20 days before the start of the trip or stay, and PERFECTSTAY.COM will apply the increase to the Order price. PERFECTSTAY.COM will then contact the Customer to indicate the steps to take to make the additional payment.

In the event of a price increase of more than 8%, PERFECTSTAY.COM will notify the Customer of this in writing at least 20 days before the start of the trip or stay, and the Customer shall be free to cancel the Order in accordance with the following terms. PERFECTSTAY.COM will communicate a reasonable final deadline to the Customer in

relation to the status of the Order (in particular, the departure date and deadlines imposed by the suppliers) for notifying PERFECTSTAY.COM of his/her decision via the Contact Form. In the event of cancellation, PERFECTSTAY.COM will reimburse the Customer for all sums paid. If the Customer does not respond by the established deadline, the Order shall be considered confirmed by the Customer, and the Customer shall owe the additional cost. PERFECTSTAY.COM will then contact the Customer to indicate the steps to take to make the additional payment.

6.2.3 In the event of a price decrease, the Customer shall have the right to a price reduction corresponding to any decrease in the costs mentioned in article 6.2.1 that occurs after confirmation of the Order and before the start of the travel or stay. PERFECTSTAY.COM may deduct any actual administrative expenses it incurs for this reimbursement.

6.3. Lodging Prices - special terms and conditions

Prices for Hotel Services shall be presented based on a double room. They shall not include any additional fees for individual rooms or triple, quadruple, or family rooms.

Prices for residence Services shall be presented as prices per lodging. Unless otherwise mentioned in the description of the Service, residential lodging shall not include any traditional hotel services, and shall consist simply of the provision of lodging. No service such as 24/7 reception, room service, bar, restaurant, laundry, etc. shall be included.

7. Payment terms

7.1. Means of payment

Orders must be paid for online on the Website, or by telephone. The Customer will be notified of the means of payment accepted by PERFECTSTAY.COM by the reservation advisor, are always displayed at the bottom of the page on the Website, and shall be summarized on the payment page for online orders.

The Customer shall guarantee that he/she is fully authorized to use the means of payment to pay for his/her Order, and that these means of payment will enable him/her to pay the price of the Order, in accordance with the selected payment terms.

The Customer's approval for payment, formalized by sending the information required to use the selected means and terms of payment shall be irrevocable, and the Customer shall agree not to oppose payment outside the cases identified by applicable regulations (especially, loss, theft, or fraudulent use of the means of payment).

7.2. Payment terms

7.2.1 Payment in full for the Order

Customers who select this option shall agree to have all funds necessary for payment in full for their Orders at the time of reservation.

However, if the means of payment used by the Customer do not allow PERFECTSTAY.COM to debit the total amount of the Order (for example, weekly expenditure limit reached), the Customer shall pay a down payment.

The Order shall be considered accepted, and PERFECTSTAY.COM will confirm the reservation with the suppliers. By exception, the Customer shall have 48 hours to pay the remaining balance due. Otherwise, the Customer's Order shall be considered to be canceled at the Customer's initiative in accordance with the terms set out in Article 13.4, which, in

particular, include the application of cancellation fees.

7.2.2 Payment of a down-payment of the Order

Where available, the deposit payment constitutes a payment facility provided by PERFECTSTAY.COM. It allows the Client to pay a portion of the total amount at the time of booking and to settle the remaining balance at a later date.

The Client selecting this option undertakes to have the necessary funds available for the full payment of the deposit at the time of booking, as well as for the balance, by the date indicated in the "Payment Information" section of their client portal. PERFECTSTAY.COM shall process the debit for the balance of the Order on said date.

The payment of a deposit in no way alters the exigibility of the balance, which remains mandatory, including in the event of a subsequent cancellation of the Order.

PERFECTSTAY.COM shall process the debit for the balance of the Order on the date specified in the "Payment Information" section prior to the finalization of the booking payment.

In the event of non-payment of the balance by the Client on the scheduled date before the start of the trip, or in the event of cancellation of the Order by the Client before the start of the trip, the consequences described in Article 13.4 below shall apply, including, depending on the rate and offer, the charging of cancellation fees.

Consequently, the Client is encouraged to settle the balance within the prescribed timeframes to remain eligible for the applicable contractual cancellation benefits.

7.2.3 Payment in 4 installments by Bank Card

In some cases, PERFECTSTAY.COM may offer a financing solution through a partner allowing payment for the Order in 4 installments by bank card.

However, this payment method shall only apply to certain Orders placed on the Website, and shall not apply to all types of bank cards. It shall be subject to the partner's terms and conditions set out on the Website.

7.2.4 Verification procedure

PERFECTSTAY.COM works to prevent fraud by unauthorized bank card payment, in particular by using the 3DSecure technology. Additionally, PERFECTSTAY.COM may ask the Customer for certain information to ensure the regularity of the payment.

PERFECTSTAY.COM will contact the Customer by email or telephone. If the Customer does not reply, his/her Order shall not be recorded, and his/her account will not be debited.

7.2.5 Storage of bank account information

PERFECTSTAY.COM does not store the bank account information communicated as part of the transaction. A third-party service provider manages bank account information using the PCI DSS standard.

8. Remittance of travel documents and information

After approval of the Order, PERFECTSTAY.COM will send the Customer a contract confirmation email, comprising a summary of the Order, these general terms and conditions, and a description of the Service, available in printable format, as well as the documents required to make the trip or stay (electronic airplane ticket, voucher to present to the service provider on site, etc.) in a separate email after payment in full for the Order and in good time before the start of the travel.

This email will contain airport meeting times for Orders including air travel and vouchers

for other services (lodging, transfers, excursions, etc.). Therefore, the Customer must print these and keep them with him/her during the trip.

In the event of errors by the Customer in his/her contact information, especially the email address provided or the spelling of the first and last names of the trip participants, PERFECTSTAY.COM may not be held liable for any failure to receive the travel documents or any consequences stemming from this.

In the description of the Services attached in printable form to the confirmation email (Product Sheet), PERFECTSTAY.COM will provide information on the name, address, and telephone number for the local PERFECTSTAY.COM representative, or local bodies able to help the Customer in the event of difficulties (embassy or consulate), or a telephone number to be called to reach the vendor in an emergency.

9. Terms and conditions applicable to lodging

Unless otherwise mentioned in the description of the Service, a night shall mean the provision of lodging between 5:00 pm at the latest and 10:00 am the next day at the earliest. Failure to comply with these limitations may lead to the application of an additional fee to be paid by the Customer.

The essential characteristics of the lodgings will be described on the Website or by telephone before the Customer places the order and will be summarized in the confirmation email. The classifications assigned to each lodging correspond to local standards in the country where the lodging is located and may differ from COUNTRY standards.

In general and unless otherwise mentioned in the description of the Service, room categories meet the following criteria:

- Single room: they are equipped for a single person (single bed) and are generally less comfortable and less well situated than the other rooms.
- Double room: these are rooms equipped with a double bed or two single beds.
- Triple room: these are double rooms in which an extra single bed is added. The dimensions of this bed may be smaller than standard size.

- Family room: these are double rooms that can accommodate three or four standard sized beds.

10. Terms and conditions applicable to flights

- 10.1. At the time of consultation and selection of Services, the Customer may consult the various flights proposed. The identification of the airline will always be known to the Customer at the time of the Order and cannot be changed later.
- 10.2. Airport security instructions require that travelers be present early enough to complete all necessary formalities. Therefore, PERFECTSTAY.COM recommends that travelers arrive to check in at least three hours before departure time for international flights and at least two hours before departure time for domestic flights.
For some travelers traveling under special conditions (over-sized baggage, travelers with reduced mobility, etc.) the Customer must contact the airline for information on precise check-in and boarding conditions.
- 10.3. If the Customer and/or a traveler included in the Order is not present for boarding the outgoing flight, the airline will automatically cancel their return flight without possibility of any reimbursement. However, the traveler may nevertheless benefit from the rest of the Services included in his/her Order and may request reimbursement for any individual taxes and fees identified as such in the ticket price which are owed for actual passenger boarding (identified most often as QW and QX). The Customer may request reimbursement from the carrier or PERFECTSTAY.COM by sending a letter to the following address: PERFECTSTAY.COM, 6 rue Ménars 75002 Paris. The Customer will be invoiced for fees equal to 20% of the amount reimbursed.
- 10.4. At least 72 hours before the return flight, the Customer and every person on behalf of whom he/she placed the Order must confirm their flight with the airline or with the local representative mentioned in the confirmation email. At that time, the departure times will be confirmed. Otherwise, the airline may assign the seat to another traveler. The Customer's attention is drawn to this mandatory procedure.
- 10.5. The Customer has been notified that out of concern for passenger safety (congested airspace, maintenance, etc.), airlines may be forced to change the initial flight conditions (schedules, airport, stopovers, etc.). Similarly, departure and arrival airports, while serving the same city, may be different.
Travelers are strongly advised to plan a flexible agenda the day before departure

and the day after arrival.

So-called "direct" flights are those with a single flight number, but which may include stopovers. Additionally, connecting flights imply a change of aircraft during the trip.

- 10.6. Each airline has its own baggage policy. The details for the Customer's Order are mentioned in the flight description. As a general rule, the maximum amount allowed in the baggage compartment is one bag weighing a maximum of 20 kilograms per passenger on regular flights, and 15 kilograms on low-cost and charter flights. Each passenger may also have a carry-on bag meeting the size and weight limits set by the airline and described in the flight description.

Excess baggage may be allowed for an additional fee to be paid directly to the airline, and this fee is often lower if an excess baggage reservation is made in advance.

For safety reasons, certain items are prohibited on board aircraft, both in the baggage compartment and in the cabin. A list of these items is provided in the terms and conditions set by the airline, specified in the flight description and in the confirmation email. The Customer is also invited to consult the website of the International Air Transport Association (IATA) and Turkish Airlines by copying the following link into his/her internet browser:

<https://www.iata.org/en/programs/ops-infra/baggage/check-bag/>

If these items are present in passenger baggage, they will be immediately confiscated, and boarding may be refused.

- 10.7. In the event of a dispute over lost or damaged baggage, Customers are strongly advised to contact the airline first, at the airport, to report the problem. The airline is only liable for compensation as set out in international conventions.
- 10.8. Children under the age of two years on the date of the flight shall travel on the lap of their guardian, and will not be assigned a seat. Unaccompanied children under the age of 15 shall not be allowed to board.
- 10.9. Airlines set their own rules for pregnant women. Some may require pregnant passengers to produce a medical certificate attesting to their capacity for air travel. Before placing an order, pregnant women should consult their physician and alert PERFECTSTAY.COM to notify it of this.
- 10.10. Any transportation of persons requiring special assistance (reduced mobility or assistance) must notify the airline of this at least 48 hours before the date of the trip in question.

11. Terms and conditions applicable to other services

11.1. Meals

Details on Meal Services are provided in their description and summarized in the confirmation email. The information in the description is limiting and anything that is not mentioned shall constitute additional consumption, to be paid for by the Customer.

Unless otherwise mentioned in the description of the Service:

- Half board includes breakfast and one meal per day (either dinner or lunch), not including beverages. The plan starts with breakfast following the first night and ends with breakfast following the last night
- Full board comprises all breakfasts, lunches, and dinners, not including beverages. The plan starts with dinner on the first night and ends with breakfast following the last night
- "All inclusive" comprises all breakfasts, lunches, and dinners, as well as beverages. Certain consumption hours may be established.

In some countries, the water available locally is not potable, and Customers must purchase their own bottles of mineral water.

11.2. Activities and leisure on site

Some lodging proposes leisure or pleasure activities available to the Customer and travelers included in the Order on site. The Customer and travelers accompanying him/her must behave prudently as part of these leisure or pleasure activities and be especially vigilant, in particular in monitoring children.

Activities not included in the Services purchased and for which the Customer must pay directly on site are not part of the Order, and PERFECTSTAY.COM may not be held liable for them in any way whatsoever.

Tours, excursions, and activities offered by PERFECTSTAY.COM or other travel service providers may be organized in a foreign language. Information about the language in which the services are provided is available on the Website before any confirmation of the Order.

11.3. Sports activities and treatments

For any Order for a Service that includes sports activities, therapies, or treatments provided (spa, thalassotherapy, balneotherapy, etc.), the Customer must verify the physical condition of each traveler before placing the order. To do this, each person may be required to submit a medical certificate attesting to the fact that their health condition is compatible with the activities in question.

PERFECTSTAY.COM may not be held liable for any decision by the service provider on site to refuse access to sports activities or treatments because of the traveler's health condition.

12. Administrative and health formalities

12.1. Scope of application

This article 12 summarizes the general formalities to be carried out by French nationals and shall apply unless otherwise mentioned on the Service description or on the Web page devoted to administrative and health formalities. Additionally, the Customer is invited to consult the advice and information provided on official websites such as the ministry of foreign affairs of their country or embassies and consulates of their destination country.

These websites should be consulted before placing the Order, but the Customer is also advised to consult them regularly until the departure date for any changes that may occur.

The Customer may also consult various websites that summarize visa formalities such as <https://www.diplomatie.gouv.fr/fr/conseils-aux-voyageurs/>

<https://www.service-public.fr/particuliers/vosdroits/F1358>

<https://www.diplomatie.gouv.fr/fr/le-ministere-et-son-reseau/organisation-et-annuaires/>

The time required to obtain a visa varies depending upon the destination. The approximate maximum time for obtaining a visa is 1 month This is general and approximate information and does not apply to all visas.

The Customer should remember that he/she must complete all procedures related to administrative and health formalities and that he/she shall be responsible for paying any potential related costs in addition to the price of the Services.

Administrative and health formalities may vary depending upon the Travelers' nationality and/or country of residence.

If the Customer or one of the travelers is not a French citizen, he/she must contact PERFECTSTAY.COM by Telephone or through the Contact Form (both described in article 2) before placing any order so that PERFECTSTAY.COM can provide him/her with the pre-contractual information appropriate for his/her nationality or country of residence.

12.2. Administrative formalities

Only a valid identification document will be accepted for travel (national identification card or passport). A passport is required for travel outside France. Some countries require additional formalities, especially that the passport be valid for a period of six months beyond the return date, that the traveler have a round trip ticket, that he/she be able to prove that he/she has sufficient funds, or that he/she has purchased assistance/repatriation insurance.

A visa must be obtained for certain destinations. Details on the formalities to be completed are available in the description of the Services and by destination country on the Ministry of Foreign Affairs website of their Citizenship or at the embassies or consulates of their destination country. PERFECTSTAY.COM recommends that the Customer visit that website regularly as regulations may change between the Order date and departure date.

To travel, minor children must have their own identification document issued in their name. PERFECTSTAY.COM does not allow Orders to be placed for minors not accompanied by a parent or another authorized adult. If a child is traveling without being accompanied by both his/her parents, does not have the same name or is accompanied by a third party, some countries or airlines may ask for presentation of authorization to leave the territory. Therefore, out of caution, this document should be obtained for any trip by a minor not accompanied by both parents.

12.3. Health formalities

Before any Order, travelers are strongly advised to consult their doctor and dentist to ensure that their health condition is compatible with the planned trip.

Recommended or mandatory health formalities differ depending upon the destination, and details by country may be consulted at the embassies or consulates of their destination country. above. For some destinations, Destination Countries authorities may recommend purchasing an insurance policy covering medical expenses and repatriation for health reasons.

The Customer and travelers he/she represents must bring all medications they may need with them.

13. Changes and cancelation

13.1. Changes or cancelation by PERFECTSTAY.COM

PERFECTSTAY.COM may also make minor changes to the clauses of the contract after signature of the Order. PERFECTSTAY.COM will then notify the Customer of this in a clear, comprehensible manner through a durable medium.

Before the Customer's departure, if PERFECTSTAY.COM (i) is forced to change one of the essential components of the Order, or (ii) in the event of a price increase of more than 8%, PERFECTSTAY.COM shall notify the customer of this, and the Customer may accept the proposed change or terminate the Order at no cost under the terms specified in the applicable regulations.

PERFECTSTAY.COM may cancel the Order if it is prevented from executing the Order due to extraordinary, inevitable circumstances. In such a case, the Customer will be notified of the cancellation of the Order as soon as possible before the start of the travel or stay, and the Customer will be reimbursed for all payments made, without additional compensation.

13.2. Customer Changes to the Order

PERFECTSTAY.COM shall apply a processing fee of 25 EUR for any change, in addition to any fees that may be charged by the suppliers.

If the Customer has purchased an individual insurance policy allowing him/her to change the Order, he/she must contact the insurance company in question, which shall be solely responsible for managing the request, to the exclusion of PERFECTSTAY.COM.

13.3. Customer Cancellation of the Order - Cancellation Insurance

Pursuant to our Cancellation Insurance, the Client may cancel their Booking at any time up to thirty (30) days prior to departure, without cause or justification, via the Contact Form. PERFECTSTAY.COM shall subsequently refund the Client using the original payment method used for the Booking, subject to a deduction of a €90 management fee per Booking.

In the event of payment by installment (deposit), the exercise of the Cancellation Insurance is strictly contingent upon the full settlement of the remaining balance of the Booking by the date specified in the "Payment Information" section of the client portal. Failing such a settlement, the Cancellation Insurance cannot be activated, even if the request is submitted before the 30-day deadline: the standard cancellation terms set forth in Article 13.4 below shall apply.

Furthermore, for any cancellation occurring less than thirty (30) days prior to departure, the Cancellation Insurance shall not apply and the Booking shall be governed by the standard cancellation terms set forth in Article 13.4 below.

- Cancellation of a Ground Service (lodging, transfer, activities, etc.)

PERFECTSTAY.COM draws the Customer's attention to the fact that the flash sale model offering extraordinary reductions implies that any sales made are firm and non-reimbursable by PERFECTSTAY.COM's suppliers. Thus, PERFECTSTAY.COM will not save any expenses due to a Customer Order cancellation, and no income can be earned, as the Services cannot be made available again.

Therefore, any cancellation of a Ground Service shall be subject to fees of 100% of the amount of the Service.

Key rights under Directive (EU) 2015/2302

- Travellers will receive all essential information about the package before concluding the package travel contract.
- There is always at least one trader who is liable for the proper performance of all the travel services included in the contract.
- Travellers are given an emergency telephone number or details of a contact point where they can get in touch with the organiser or the travel agent.
- Travellers may transfer the package to another person, on reasonable notice and possibly subject to additional costs.
- The price of the package may only be increased if specific costs rise (for instance, fuel prices) and if expressly provided for in the contract, and in any event not later than 20 days before the start of the package. If the price increase exceeds 8 % of the price of the package, the traveller may terminate the contract. If the organiser reserves the right to a price increase, the traveller has a right to a price reduction if there is a decrease in the relevant costs.
- Travellers may terminate the contract without paying any termination fee and get a full refund of any payments if any of the essential elements of the package, other than the price, are changed significantly. If before the start of the package the trader responsible for the package cancels the package, travellers are entitled to a refund and compensation where appropriate.
- Travellers may terminate the contract without paying any termination fee before the start of the package in the event of exceptional circumstances, for instance if there are serious security problems at the destination which are likely to affect the package.
- Additionally, travellers may at any time before the start of the package terminate the contract in return for an appropriate and justifiable termination fee.
- If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. - The organiser has to provide assistance if the traveller is in difficulty.

If the organiser or, where applicable, the retailer becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured. XY has taken out insolvency protection with YZ (the entity in charge of the insolvency protection, e.g. a guarantee fund or an insurance company). Travellers may contact this entity or, where applicable, the competent authority (contact details, including name, geographical address, email and telephone number) if services are denied because of XY's insolvency.
