Smart Made Simple
A guide to get connected

Stay in Control
Stay connected wherever you are. Monitor and control your appliance right from the SmartHQ App.

Be in the Know
Get notifications and service alert when your appliances need attention.

Better Together
Connect and communicate with the rest of your smart home devices.

Enable Software Updates
Have peace of mind knowing your appliance has the latest software update.

Connect Your Appliances

1) **Scan to Download the SmartHQ App**
   from the App Store or Google Play Store.

2) **Sign In**
   to your existing account or create a new one.

3) **Add & Connect**
   your SmartHQ appliances.

4) **Update Appliance Software***
   and your smart features are ready to go!
   *Software update may not be required

Scan to Connect
Using Your Phone's Camera

Setup Voice

Use Amazon Alexa or Google Assistant to control your appliances and check status.

Amazon Alexa

Scan the applicable QR Code to Learn More and Access Set-Up Instructions.

Google Assistant
