RAIN FOREST IN THE
HEART OF LONDON!

If you can't afford to visit a real rain forest you can now experience one in the centre of London. The Rain Forest Café, 100 Regent Street, claims to be 'a real rain forest in the heart of London'. You can eat there in the shade of tall trees, while you watch the animals hiding in the branches:

Are you allergic?

This small boy looks perfectly healthy. He could die within minutes if he eats peanuts, peanuts, peanuts, peanuts, cream and chocolate. He is allergic to peanuts.
