

The background of the book cover is a vibrant abstract composition. It features a deep blue field overlaid with various yellow elements: a large, textured yellow circle in the upper left; a complex, tangled yellow line pattern in the upper right; a large, textured yellow triangle in the middle right; a smaller yellow triangle in the lower left; and a large, textured yellow spiral in the bottom left corner. Thin, light-colored lines crisscross the blue background, adding to the abstract feel.

Motivational Strategies in the Language Classroom
