

# Narwhal Chemicals & Fertilizers International Pvt. Ltd.

# Introduction..

Narwhal is a member of The RPM Group. This Group was established more than 6 decades ago under the erstwhile leadership of late Shri Prabhat Kumar Maheshwari. Under his dynamic leadership the group has operations on a Pan India basis. Next generation leadership has further expanded the group operations to Asia Pacific and European markets.

The Key strength that define this group are as follows:

- Market Goodwill, strong associations and networks across the globe.
- Owned Infrastructure at Key Locations
- Professional Management and Trained work force.
- 24/7 service.
- Explosives Licences at Dombivali, Vapi & Roha.
- Established relationships with all leading manufacturers and customers in the Industry.
- End to end supply chain with in-house logistics company.
