4. Indicated by information from airlines / shipping lines. Any delay that may occur due to change in vessel rotations, port congestions etc. is beyond Peter Justesen's control.
5. Process time for customs clearance depends on whether your order has already been approved by Ministry of Foreign Affairs upon arrival of the order, as well as handling time by the local customs authorities.
6. For Ethiopia, containers will arrive in Djibouti port, and be transported by our local handling agent to Addis Ababa.
7. Final release from Ethiopian customs.
8. Varies depending on order size and your location from the airport- or port terminal.
