

# Renewable energy finance

We're making clean energy technology easy and affordable for Australians

# Renewable energy finance

# For going green and never going back

We know your clients want to start saving money on their energy bills sooner rather than later. Plenti have a range of financing solutions to meet both your business and clients needs.

Choose from either a low rate Green Loan or our Zero Interest Payment Plans to provide your clients with a low monthly repayment, fast approvals and award winning service.

## **About Plenti**

Plenti is a fintech lender, providing Australians with faster, fairer loans through smart technology.

Our proprietary technology platform allows us to provide creditworthy customers - whose preferences are changing - with automotive, renewable energy and personal loans to help bring their big ideas to life.

Since establishment in 2014, our loan originations have grown consistently, supported by diversified loan products, distribution channels and funding, and underpinned by exceptional credit performance and constant innovation.

### Projects you can assist clients in funding

Plenti's renewable energy loans can be used for a range of products. These include:

### Plenti is proudly supported by the Clean Energy Finance Corporation (CEFC)

The CEFC is responsible for investing \$10 billion in clean energy projects on behalf of the Australian Government. The CEFC lowers Australia's carbon emissions by investing in renewable energy, energy efficiency and low emissions technologies.

# Why customers **love Plenti**

Plenti makes borrowing more rewarding. With flexible renewable energy loans at competitive rates, your clients can get ahead in life and achieve more with their money. It's fairer finance that works for everyone.

## \*\*\*\*

Easy and quick process. I received timely feedback. I cannot fault your service.

David December 2020

# \*\*\*\*

I wish every loan would be like this. The application process was very easy, no issue at all with the entire process.

Rebello October 2020

# \*\*\*\*

The product is very good. Then the customer service at every step made it all even better. This was a process with no friction.

Hannes October 2020

# $\star\star\star\star\star$

The application process was user friendly, I was kept up to date during the whole process and the customer service was excellent.
