Thank you!

Thank you for attending our baby shower and helping us to celebrate the arrival of our little one.

Our greatest gift was the presence of all of you. We could not do this without having such wonderful friends and family around us.

With love,
Thank you
How to create your pennant banner:

1/ Print out one or more of the triangles.

2/ Cut out as many pieces of pennants as you require following the dotted lines.

3/ In the two top corners of each triangle, pierce a hole using a pencil.

4/ Insert a piece of string through the back of one of the pieces, and then back through the other hole from the front.

5/ Repeat this for as many pieces of pennant as you want and then cut the piece of string.

6/ Attach to your wall using sticky tape or Blu Tack (make sure the one you choose is safe to use on your wall by testing in a ‘hidden’ area such as behind a radiator).

7/ Alternatively you can tie the string to something in your room to avoid sticking things to your walls!
