

FORD Ranger With trailer preparation

04/14 >> 07/15

750014

Installation instructions

Reference:

The following information must be reviewed before beginning the assembly:

The installation instructions are to be thoroughly read.
The installation should be carried out by qualified personnel with the relevant technical knowledge.
The vehicle manufacturers' current technical notices and information on retrofitting must be followed.
The removal and replacement instructions found in the current repair manuals must be followed.
It must be ensured that the vehicle is technically suitable for the installation of a trailer hitch.
