## Professional Experience

2005-now

**Artist / Songwriter / Producer**, MNSSH x TheKidBEATS, Berlin - International.

I am building my brand and helping partners with their brands, especially through B2B and B2C networking. This includes: managing the artists in multiple ways from social networks to showcase bookings and distribution deals; responsibilities for most stages of the productions - precisely, songwriting, recording, and creating a mixdown of the projects.

2009-now

**Artist Consultant / Career Coaching**

I consult young artists and entrepreneurs on their career steps and life choices, primarily in the Media genre. This typically ranges from musicians and producers to actors and photography. I help with getting them set up in their field and elaborating the necessary actions and changes they need to advance from their current state.

2014-2018

**Customer Service / Vehicle Transfer**, First Class, Hamburg.

I conduct shuttle-services for high-profile customers of automobile brands such as BMW, Audi, Porsche and Maserati. Further, I handle unsatisfied and complicated customers, while maintaining a high profile as the face of the automobile brand.

2012-2013

**Hotel Management Training**, Mercure Hotel, Hamburg.

I was responsible for handling and allocation all requests made to the hotel. This included high profile customer service as well as managing internal affairs such as corresponding with our merchants about the delivery of new goods and checking them in accordingly.

2015-2017

**Co-Founder / CEO**, Soul Kingz Records, Berlin.

I built the company image, developed its marketing strategies of expansion on international territory, gained three business partners and two artists. Moreover, I was responsible for developing or overlooking any legal necessities.

2019

**Call-Agent / Secretary**, DBS GmbH, Berlin.

Processing client requests for Lawyers, doctors and various types of companies as a secretary position providing given information to the caller, making appointments and handling sensitive data between the caller and client was my task.

2018-2019

**Sales Representative**, Harman, Hamburg - Berlin.

Handling customer relations and making sales is my primary task. The company assigns different Electronic stores for me to supervise and assist in sales increase.

---

2019-now      **Sales Representative**, Bose, Berlin.

I am a representative of the Brand and it's products in designated electronic stores. Maintaining customer relationships and acquiring new and longterm customers for the brands products is my main task, further also introducing the brand to new customers and elaborating its usage and benefits.
