

Innovative Post Producer with 18 years of experience in all aspects of production and post. Creative collaborator, storyteller and business manager with demonstrated ability to partner with creative executives and production to produce entertaining and inspiring content. Adept at developing and leading cohesive teams of creative artists. An exceptional problem solver and project manager capable of facilitating multiple concurrent projects from pre-production through QC and delivery while meeting strict budget and schedule requirements. Most recently, managed the emergency transition from studio to remote operations due to COVID-19 by developing workflows to accommodate the remote production process, and for post collaboration utilizing a variety of technologies to connect bi-coastal producers, editors, and vendors.
