

Emma Catherine Bown (Emerald B Music) Birthday - July 27, 2005 Singer, Dancer, Musician and Honour Student

From a very young age, I always enjoyed performing singing and dancing. I look for opportunities to perform at amateur events, local fairs, talent competitions, jam sessions, sporting events and any other chances to increase my presence and experiences. I play piano, ukulele, and guitar.

Emerald B is an up and coming 15 year old singer/songwriter, dancer, musician, and positive influencer from Canada who strives to inspire others. She has performed at many venues across Southern Ontario, and toured in 4 cities in the U.S. both as a solo artist and as part of a six member Juno Nominated all girl pop group (Girl Pow-R). Emma's music is inspired by the emotional pain and depression she went through in the past year. Her goal is to help and guide others who deal with any kind of struggle or mental illness. She is currently working with Cydney London (Amazing vocal coach), Jan Jansen (Record Label, Producer), Cleveland Sound Lab (Producer, Recording Studio), Brian Melo (Mentor, writer and winner of Canadian Idol!), and Ian Smith (Recording Studio and producer).
