## **Personal statement**

A hardworking and resourceful worker with high ambition and drive.

Focused on achieving the objective I have been given and building up from the position I am in.

I am able to work effectively and efficiently on my own as well as in teams with people I may or may not know.

I will always strive to do my best and am always eager to learn and take on new challenges.

I am able to work in high demand situations and will always deliver on time.

Ability to learn and remember lines and directions extremely well.
