To whom it may concern,

I've known Shizandra (Shizzy) Bowden for over 3 years. As a Creative Consultant, I've hired her on more than one occasion to aid in the development, set-up and execution of several events for my clients.

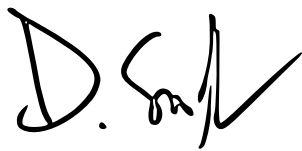

She is an absolute star and her interactions with my clients has always been impeccable. She is incredible with people and, in my experience, has an innate ability to engage with everyone from all walks of life. Shizzy is a people-person, through and through.

Additionally, Shizzy is a highly confident young woman who displays courageousness with new challenges - I witnessed this regularly in her improvisational and musical performances, plus exceptional stand-up comedy routines. She rises to every challenge and seems to always exceed expectations.

Shizzy is dependable, responsible, honest and courteous - she will be an asset to any organization. I would not hesitate to hire her again and I encourage anyone who is considering working with her to meet with her in-person *and see for yourself*.

Please do not hesitate to call me or email me if you would like to discuss this recommendation further.

To Whom it May Concern

Re: Shizandra Bowden reference

Kia ora,

I am Jacqui Gilbert an Auckland film producer . I have had the great pleasure of working with Shizandra on two occasions where she was an actress in the films I was producing, 'Stella 459' and 'Clear Eyes Scourge of the Zombies'. I was highly impressed with her professionalism at such a young age. Shizandra is totally reliable always gives more than she is asked, willingly. On set she was mixing with children and adults and was very capable at relating well with them all. The days are long and tiring and she always bought her energy. Shizandra is quick thinking and has a great sense of humour.

I highly recommend her to anyone thinking of employing her.

Please feel free to call me.

Yours Sincerely

Jacqui Gilbert

To whom it may concern,

I am writing to enthusiastically recommend Shizandra - as a rising young actor or for any kind of work.

I have known Shizandra for 8 year. She has worked with me on three (3) films. Shizandra is an intelligent and energetic young actor and has been dedicated to learning her script and arrives on set mentally and physically ready to go when filming starts. Shizandra has been reliable and hardworking. She has been easy to direct and works well with other cast members. She has been an asset to the projects we have worked together on and I am looking forward to casting her on future film projects.

If you have any questions or need additional information please do not hesitate to contact me.

Sincerely,

Fred Potts
