PROJECTS

**Kim Berlee's "Kimistry Lab Fashion Exspiritment" —
"Where fashion meets art."**

December 2020

December 19th, 2020 Kim Berlee hosted "Kimistry Lab Fashion Exspiritment", a fashion exhibit dedicated to creating a space for local designers, models, musical artist, photographers and more, show off their talents. Selected as a model, I was required/requested to model my designer's original designs for the event, which was also recorded live for viewers to watch via Zoom. This event was also featured as its own article on an online Milwaukee based news website.

BTS Models Presents: The Purge — Mini Video

October 2020

"BTS Models Presents: The Purge" was filmed with my second home agency, this project required me to be on video for acting and modeling. A

photoshoot also followed after the filming of this video.

Lea's Luxurious Creations — Photoshoot

May 2020

Lea is a local business owner located in Milwaukee and I've been booked twice to shoot for her, to show off her women's clothing and accessory items.
