Hi, my legal name is James, but I like to go by my birth name Abron. I'm originally from Atlanta Georgia where I was adopted at the age of eight. I never really got along with my adopted mom growing up because I'm gay. At the age of 18(2012)I dropped out of school and I moved out of her house. A year later I moved to California to pursue my dreams as an Entertainer. I enrolled in school to obtain my high school diploma. And I completed all of the courses in 6 months. And I then transfer to Cypress College to start my Dance Training.

I've been dancing and performing for 7 years and acting, modeling, and managing myself for 2 year. I have training and modern, ballet, jazz, Middle Eastern, contemporary, afro, hip hop, bachata, salsa, ect. I did my first fashion show in May 2018 for "The industry live TV" , called the "James Bond Theatrical Fashion". I would love to play a "stright" Dad/Husband. All of the drag queens in Wong Tong Foo where played by straight men so, I should be able to play a straight guy as a gay man..... I'm still a beginner in the entertainment industry and I'm look to expend my resume and portfolio. I'm hard-working, talented, mature, ambitious, team player, confident, unique, and tough.
