## **PROFILE**

I'm a local American/Canadian citizen. Living in Vancouver, over the past 2 years I have been studying with Deb Podowski, at Deb Podowski Studios. Deb is a fantastic teacher, and I will continue to train with her while I remain in the city. As well as studying to become a stronger actor, I am also pursuing a music career. As a successful singer-songwriter, I have over 200,000 streams on Spotify, have played some of Canada's biggest and most coveted music festivals; as well as toured both the United States, and Canada. As much as I have loved embracing the music community, I feel that I am more than ready to pursue storytelling in front of the camera.
