2017 Beta Convention Banner- Second Place
2020 Helen Ruffin Reading Bowl Regionals- Second Place
2021 Beta Convention Fiber Arts (Macrame) - Second Place
2020-2021 Lemelson-MIT InvenTeam

EMPLOYMENT

Assistant Teacher

Decatur School of Ballet, 2017-2018

My responsibilities were to teach and take care of a group of twenty, 4-6 year-olds. I also helped organize their end-of-year performance. I learned how to work with children and keep a weekly commitment to a company.

Background Actor

GeorgiaCAN, 2018

I was an actor in GeorgiaCan's "Why Not?" promotional commercial. This commercial was used to promote a new campaign to champion the need to put students first in local education policy.

I experienced how to work in the educational film industry.

Disney+, 2021

I was a recurring background actor in a new Disney+ show, by Twentieth Century Fox, airing this fall! Besides having the unique experience of being in front of a camera with well-known actors, I was able to learn more about the entertainment industry and the work it takes to produce such films and tv-shows.

Harpist

Professional Golfers Association, 2018

I performed the harp at the Welcome Breakfast, for the PGA players. I got the chance to meet many CEOs and professional golfers, such as Rory McIlroy and Tiger Woods. I learned how to perform an instrument in front of large gatherings of people, and how to conduct myself in the presence of people in high positions, such as CEOs and Chairmen.

Atlanta Public Schools' Board of Education, 2019

I was recruited to play at the SilverStar Retirement Banquet. It was held at the Hyatt Regency in Downtown Atlanta. I learned how to be around the company of people older than me. I also was able to experience how to eat in a high-end environment.

Camp Counselor

Drew Charter School, 2019

For Drew's 'Bridge to Tech' program, I helped set up activities and organize the students. I also helped facilitate the daily field trips to Georgia Tech. I learned how to work with pre-teens, and transition them safely between locations throughout Atlanta.

ACADEMIC BACKGROUND

Charles R. Drew Charter School, East Lake

Student, 2011-2022

Drew Charter is a STEAM-oriented "Cradle to College" School. They run off a lottery system, and because it is a charter school, they govern their own rules. The school day starts at eight and ends at four, and they promise parents that by the time their child graduates, they will have an extra 2.5 years of classroom time.
