Recipient Designation

Company Name self Agency

Company Address Los Angeles

Dear Recipient Name,Iris s Bautista

I am writing to express my interest in securing an Associate position at Company Name. I am a Master of Liberal Arts degree candidate at Angelo stat University. And Shaw Academy. Actor and Model specializing in Information Technology. I come from a solid technical background with a strong interest in business and a passion towards strategy. My area of focus and interest varies from quantitative analysis to project management. I have maintained a 3.96 GPA through a well-balanced program of study, which is not only very analytical and technical by nature but also helps to build leadership and team building qualities. I am extremely impressed with company's approach to strategy consulting, especially within the Business Development and Innovation practice areas. I believe my academic background, business knowledge and industry experiences have provided me with the credentials needed to thrive as an Associate.

Prior to ABC Company, I worked as a technology professional, primarily resolving strategic issues related to technology process improvement. I gained solid research, analytical and problem solving skills while working in Fortune 500 companies. My background in generating innovative ideas and strategies to improve processes has provided me with a deeper understanding of multifaceted problems that companies encounter in their daily operations. Moreover, because of my work experiences, I fully understand how important it is to have great team dynamics in today's multi-disciplinary business environment.

To date, my experience as an IT professional has been extremely rewarding and productive. However, it is through strategy consulting that I can use my analytical aptitude and creative problem solving skills to their fullest. I strongly believe that consulting is a discipline that will force me to view

problems not only from the client's standpoint but also from a marketplace, best practices and "think out of the box" point of views.

I would appreciate the opportunity to interview with Company Name for the Associate position. Please find enclosed my resume for your review. I can be reached via email at your email or by phone at Your phone number. I enthusiastically look forward to hearing from you soon.

Thank you for your time and consideration.

Sincerely

Your Name
