## Interested In:

I am interested in modeling and acting, but am not shy of trying other things! I have worked in the theatrical department and have also experienced meeting with agents, open casting calls and am comfortable with singing, dancing and performing in front of the camera. I hope that I can work with your company and your representatives!

## About Me:

Hi! My name is Teagan Hines, but people who know me the best call me "T." I'm a 13-year-old girl from Massachusetts. I love to play sports such as softball, basketball, tennis, volleyball and run cross country. I have been dancing since I have been able to walk and ice skating for three years and counting. I enjoy nature and I frequently go on walks, hikes, and bike rides. I find that by going outside makes makes all of your problems fizzle away. Theatre is my soul and my world, everything else just lives inside of it (besides shopping in fashion I especially look up to Blair Waldorf and Elle Woods). Lastly, I love reading writing and listening my family and friends describe me as a persistent, determined, driven (as hell), person but I'm also loving, goofy, understanding, mothering and extremely empathetic. Lastly, I think of myself as a huge bookworm (some of my favorite authors are Holly Black, Shanna Youngdahl, and J. K. Rowling) and music is my medicine, it understands me when the rest of the world can't.
