EXPERIENCE

McAuliffe International Theater Company, 2540 Holly St- *Actor and Assistant Director*

March 11th, 2020

In my 6th (P1) Theater Class at McAuliffe International School I played a big role in the production of James and The Giant Peach Jr. Broadway Musical. I acted as an Assistant Director in helping with the blocking, set direction, script readings and bringing out the best of each actors/actresses characters. And then I also auditioned and got the role of Centipede. I took that character and made it my own, by bringing a new type of voice to the character, instead of the traditional New York Old Man Accent. It was a lovely show and gave me the opportunity to understand professionalism when it comes to a Broadway Musical Production.

Denver School of the Arts Scene Night Showcase, 7111 Montview Blvd — *Actor*

October 9th, 2020

The Theater Department at Denver School of the Arts, put on their first 2020 showcase featuring all grades, virtually due to the pandemic. This showcase was pre-taped and all production was led by students. The teachers paired us into groups of two and we were instructed to find a 3-5 minute monologue, learn the aspects of it and then record a zoom/google meets video performance and send it in for editing. This was an interesting performance for me because, not only was it a pandemic and it was fully virtual. But it was also my first year at DSA and I ended up paired with two partners instead of one. However I persevered and ended up presenting a lovely scene from the Staged Play, "A Tiny Miracle with a Fiberoptic Unicorn." It was a great experience because I learned the importance of patience and good communication in an ensemble.

Denver School of the Arts Improve Showcase, 7111 Montview Blvd — *Actor and MC*

May 25th, 2021

The Theater Department at Denver School of the Arts, put on their FIRST In-Person Staged Showcase of the year right before the last day of school. This was an Improv Showcase. The whole 6th and 7th Grade Ensemble were divided into 6 teams. Each team had 15 minutes to put on a mini improvised showcase (with 3 games). I was in the group "Malibu." We performed the 3 great classic improv games 4 Square, Survivor and Freeze. I was honored to be the MC for my group and it was such a great atmosphere having our first In-Person Staged Performance. I felt the magic of Theater all around me.
