Independent Artist

Singer/ Songwriter/ Composer - Las Vegas, NV

June 2012 to Present

Since my move to the city of Las Vegas I've produced, arranged and composed many works with other creatives in the genres of Hip Hop, Funk, Pop, Contemporary Pop, Jingles, R&B and more. My goal doing this was to be of service and value using my knowledge and creative juices in music and build a rapport with everyone i've worked with. This enabled me to learn about the city and build meaningful relationships with vessels I still work with today! I am a strong songwriter and vocalist and perform often thanks to the relationships i've built and want to continue connecting with great creatives in any atmosphere in. I take pride in learning, growing and creating beauty in this field but take even more pride doing this in every area of my life. Giving value first is a strong part of my moral compass.

Event Host

Tuesday Blend - Las Vegas, NV
May 2016 to March 2017

Tuesday Blend has been around in Las Vegas for the last 8+ years.

As the host I set the tone and vibe for the event by creating an atmosphere and excitement and taking the audience on a journey through crowd engagement and participation.

Introduced talent providing a brief intro for every act and setting the stage for their performance

Being a hype-man when necessary to keep the atmosphere excited and engaging working closely with the DJ to provide sounds that ensured the crowd will move.

Radio Personality

HB Radio - Las Vegas, NV
February 2016 to March 2017

At HB Radio i hosted a segment called "The Morning Mix"

In this segment I Started speaking light and love and preparing all of our listeners for a great morning.

I Played the latest hits mixed with some old school funk vibes.

I collaborated with our in house DJ to do quick 30s freestyles and comedic lines to bring joy and laughter while on air.

I worked closely with the DJ and staff to coordinate different segments and bring value to our listeners from hosting competitions, giving surveys, and doing twitter polls. Sending gifts and ticket winnings for shows and events in the LAs Vegas area.

Dance Instructor/Therapy

H.C.C.S (Hispanic Community Counseling Services) - Philadelphia, PA
March 2008 to January 2014

My Duties were to create and teach dance to a group of 15+ kids age ranging from 3yrs to 13yrs in a fun filled and exciting environment. Kids who were dealing with physical and or mental issues were taught to use dance and counts as a way to gain strength and move past their pain, enjoy movement and learn through fun repetition to use connect with their body on the physical level. Kids dealing with any issues such as ADD or ADHD were taught to use dance as a way to focus, have stillness, and calmness when over active.
