Work Experience

Manager

McDonald's - Blue Springs, MO

November 2018 to Present

My position as night manager is to serve the customers make sure food is properly cooked and given to customers quickly and with a smile. I give out breaks to my employees, count the safe, close and open systems to the computer monitors. My duty as night manager is to make sure that everything is Stocked and clean before the morning and next manager comes in while also getting food orders out to customers making them happy .

Cleaning consist of

wiping down tables,sweeping/mopping,washing dishes getting trash together to go out to the dumpster. At night I clean all the dirty towels including Grill towels and brew sweet/un sweet tea and iced coffee.

I count all the drawers of cash and write down my deposit to go to the bank. I take food orders on headset and get things ready for truck delivery once a week. I prepare Door dash/uber orders. I get things prepared for lunch when I come in and a couple hours after that switch to breakfast items for 4 a.m. I am making \$14.00 an hour. I answer phone calls. I print information from the computer in the office.

Housekeeper

Marriott International, Inc. - Blue Springs, MO

June 2018 to Present

I stock my cart every day with shampoo, towels, bed sheets and lotion. I go to each room on my board and clean each room. I spray bathrooms, clean bathtubs, vacuum, change trash , change the sheets on the bed , change the towels in the bathroom , clean all areas of the room. I also make sure the room is stocked with coffee , cups , condiments such as sugar and cream. I take the dirty towels and sheets to the laundry shoot. When all the rooms are done I throw away the big bag of trash.
