## BIOGRAPHY

*Bonnie Berek is undoubtedly a strong, nature - loving, American actress who currently resides in Rhode Island. She has been recently activating her inner actor at MPTP Studios by Marishka Phillips. While diligently pursuing her passion for acting, she has won multiple awards for her lifelong passion of bodybuilding, studying the craft for now ongoing ten successful years. Bonnie's hopes and desires are to inspire people to always go for their dreams and allow them to see "what may look difficult will always make you a stronger person."*
