BIO

Fusing his musical talent with his acting abilities, Nicamari is a multi-hyphenated artist giving the best of both worlds. At a young age, he identified a natural ability to create vivid depictions of life through music and film. His talents have granted him access to perform with major recording artists such as Rocko, Bone Thugs N-Harmony, Gucci Mane, and Wale'. With appearances in the films *24 Hours*, *Behind Closed Doors*, and *Flowers*, a Billboard award recipient, and the release of his 12th studio album, Nicamari is determined to continue training and blazing a trail of hard work, dedication, and success.
