This 14 track album is just like it sounds. It's for all the winners out there, striving to keep those W's. Songs like "Bull Pit", "Mojo JoJo", "Phucumol" and "Chicago Bull" are records that unleashes the monster energy that will bring aggression to your front door, but most of all purposefully keep you motivated, striving to become the best you can be. It's an energy that will spark and awaken the EGO.

Records like "Goat Talk" and "Life Path 8", transforms Jushay's aggression into a winner's mentality giving her the victory she always deserved.
