

Mike Duckworth

Voice Actor / Musician

I am a passionate, professional Voice Actor and musician with experience in commercials, narrations, animation and audio dramas. Drawing on a lifelong passion for music and it's persuasiveness, my caresses of phrasing, motion, direction and color allow me to produce work that makes characters come to life. Whether warm and expressive, or hard hitting and corporate, I can breathe life into your copy and create that perfect spot for your commercial, campaign or project. My services as a musician as a Classical or Jazz Flutist and Pianist, or as a Bass or Baritone singer are also available.
