

JUDGE ME

Have you ever had a dispute with a neighbor, but were deterred by a lengthy court proceeding?

Argued with an unrelenting troll online and just want validation that you're not in the wrong?

We are looking for age **18+** participating audience members to submit their **most outrageous stories, cases, and disputes** for the chance to have our host and virtual audience rule in your favor!

Please email your name, case, and pertinent info to submissions@loopedlive.com. All submissions must be willing and available to participate in an episode of our upcoming interactive live series **fall/winter 2021**.
