OBJECTIVE

Self-motivated and charismatic individual responsible for enabling growth and a high-performing organizational culture by delivering an outstanding associate experience through world-class development capabilities that grow and develop stakeholders.

EXPERIENCE

Learning & Development Administrator

Franklin Academy / Fort Lauderdale / 2019-current

- Provide world class on demand learning experiences and content through an online Learning Management System (LMS).
- Proactively assess individual and classroom developmental requirements, make recommendations and implement corrective solutions to effectively mitigate any gaps.

Educational Instructor

Somerset Academy / Fort Lauderdale / 2017-2019

- Work in close partnership with administrators to design educational content, delivery mechanisms and effortless customer experience.
- Ensure all policies and procedures are adhered too and that "best practice" teaching guidelines are administered throughout the educational process.

Chief Executive Officer (CEO)

MM Feet Shoe Company / Fort Lauderdale / 2015-2017

Founded and kick-started shoe making company which specializes in the production

- Through curiosity and hard work, I taught myself the infinite variations of shoemaking by attending courses and workshops which led to mastering the technique of producing top-quality hand-crafted shoes.
- Captured and analyze market trends, business performance and customer insights to advise target niche marketing strategy.
- Expanded monthly territory sales from 7K to 35K by developing strong online presence and gaining new prospect through target advertising.
