### Interior Designer

Sept 2020 - June 2021

Justen Design | Mönchengladbach, Germany

- Cultivated and presented interior design proposals including sourced wall coverings, wood, fabric, and metal samples to conceptualize and develop designs for over 100 large commercial spaces as well as family homes based on client specifications.
- Demonstrated quick learning of Illustrator, TwinMotion, and Palette CAD to create full interior design sketches in a fast-paced environment with no prior knowledge. Travel to construction sites, taking measurements, and sketching interiors until full completion of the project.
- Designed a website for Justen Design, as well as an up and coming collaborating company. Use of Illustrator to sketch and create logos, maps, and symbols for websites.
- Leadership towards multiple interns, managing schedules, teaching twin motion, and showing palette CAD. Excellent communication with project partner as recognized by the team.

### Artist Apprentice

Oct 2019 - Mar 2020

Deanna Sirlin | Alpharetta, GA

- Implemented an innovative painting style and applied it to the submission to the Atlanta Child Murders Memorial painting which then received 8th runner up out of 120, in the top 6.67% of submissions.
- Spearheaded a commissioned mural for the city of Alpharetta, created a proposal, and delegated until completion.
- Applied photography skills to Deanna Sirlin's poetry event at the High Museum of Art, as well as travelling for professional images of the building's outdoor sculpture.

### Fashion Model
