Education

HDC- School of Cosmetology • March 2020

Licensed Cosmetologist: Esthetician

Graduate with Honors & Highest GPA

Horton High School • June 2016

High School Diploma: Graduate with Honors

Experience

Krissy's Lash Studio

Lash Technician • Dartmouth, NS • July 2020- present

Current place of occupation. I am constantly dealing with clients, providing ample and avid customer service almost all of the time, as I make my own schedule and book my own appointments. Maintaining client relationships is one of the most important part of my job, and it's something I strive to do on a daily!

Rosewood Salon&Spa

Esthetician • Halifax, NS • June 2020-Sept. 2020

First place of work after graduating during the pandemic. I provided basic esthetics services as well as gaining more experience with building personal relationships with clients. I chose to become full time at the lash studio in September of 2020.

Hodge Home Cleaners

Supervisor&Cleaner • Halifax, NS • May 2019-Sept. 2020

I acquired this job in my first month of college. After several months my boss asked me to become a supervisor/trainer. I worked part time as often as possible during school, full time

when we entered the State of Emergency, until reopening was advised and I received my position at the spa. I worked part time here, at the spa as well as my current place of employment until I gained full time hours.

Whistler's Pub

Bartender&Server•Stewiacke, NS•Jan. 2018-June2018

After graduating high school, I took this wonderful job where I gained much customer service experience before moving back to HRM to attend school. Because this pub is in such a small town, servers & bartenders are responsible for all jobs including inventory, all dishwashing, VLT machines, opening up in the morning and closing at night, as well as nightly cleaning of the entire pub.

Atlantic Superstore

Cashier•New Minas, NS•April 2015-Oct. 2016

A job I attained in high school, I learned a lot of my customer service skills from this job and only left due to moving after high school.

Certificates & Qualifications

First Aid/CPR

September 2019

WHMIS

June 2019
