Nini Hernandez

LOS ANGELES BASED MAKEUPARTIST

I'm Nini, a makeup artist who uses makeup in creative and unique ways to express myself. I want everyone to feel accepted and love themselves in their own skin nothing is ugly everyone is beautiful and has something special and unique about them. I do this by not over editing my photos and videos not scared to show my bare face or not so perfect hair or my smile with my not so perfect teeth. I'm now afraid and feel that this is what makes me, me! Everyone also needs to know that everyone has hard times n that it is okay if we all stand strong we can defeat anything! Never give up on your dreams and to know that anything is possible as long as you keep looking forward soon you will see it all unfold. I don't want anyone to feel alone cause we all have something we can relate to everyone has been through something some else has gone through.
