I have been active in community musical theatre for 4 years. I enjoy belting upbeat, sassy, empowering songs that show a lot of personality. At home I like to practice speaking with different dialects. When not attending locally touring Broadway production I love learning and practicing the music from them. As a soprano belter I am driven to continuously hone in on my craft and grow as an artist. In drama class at school I enjoy writing and performing sketches as well as doing improv. I have a passion for being on stage and it is my pleasure to audition for Blue Lake Fine Arts Camp Musical Theatre program.
