film )

Handled sensitive customer info

## CAREER OBJECTIVE

Well after years of the service industry, and decided to take a sabbatical leave ( '22-) for myself/well-being & wanting something out of the normal day to day. Thanks to a push from my devoted fiancée, I've started taken steps to hopefully with your assistance & projects can make this a new experience & venue for myself. I can perform various mannerisms on spot & as well would like to do some animated & live work. I have currently landed a project set to film this summer of '22, and have a few other auditions in the near future for some other projects & I very much so look forward to working with you on your upcoming project. Thank you for your time. - Scott Bostic 40 yrs 6'1 ; 280lbs ( Can be found on, Nine9 castings, Fame Street castings, Backstage LA castings )

## EXPERIENCE

### ONWER/PRESIDENT

*My Doughboy Inc. DBA Bubba's Place , CHIEFLAND, FL / Jan 2006 - Present*  
After years in the automotive industry, I decided to venture out & pursue my own venture. During my time w/my business I've addressed various sights/situations & people that are in various states given the venue & the day. I've handle fairly large crowds w/in my business, 50+ on a great night! I've as well here handled sensitive customer info ( I.D., credit cards). On a as need basis I have had to personally remove folks from my establishment & did w/in a professional manner w/o no more than the incidents being addressed by the local authorities to removed these people. Here as well, obviously I have a key & the security codes, pretty much open/close.

### SERVICE WRITER/PARTS SALES/WAREHOUSE/DETAIL

*Sullivan Automotive Group ( Various Stores ), CHIEFLAND, FL / May 1996 - Oct 2006*

During my time here with this great organization my duties varied as needed & as well as time progressed & I was entrusted with keys to these various dealerships ( Sullivan Cadillac/GMC/Pontiac, Gainesville Dodge, Chiefland CDJ ). My duties were such things as opening/closing, detailing vehicles, taking in customers & addressing their service needs, handling & addressing various tickets & warranty/insurance services, storm detail ( general prep for this lovely Florida weather ) boarding/securing items, intake of new vehicle deliveries from corporate ( inspections for damage/etc. ), answered phones as needed on the drive & addressed customer appointments, handled sensitive customer materials ( info ).
