Mission Statement:

To begin a career in Air Force Logistics as Civilian

Federal Revenue Officer, Internal Revenue Service - Department of the Treasury

Civil Law Enforcement: 3 Years, Aug 2009 - Oct 2012

Investigated federal tax violations using proper judgment, analysis, tact and poise
Trained to recognize abusive tax avoidance tactics and to uncover their facilitators or promoters
Analyzed transactions for irregularities pointing to potential tax shelters or illicit finance operations
Conducted all-source analysis of financial data in large data pools in order to determine financial conditions
Mapped financial data from bank systems, informal systems and financial reports to establish source transfers

Cherry Logistics Corporation: 3 Years, Oct 2012 – Oct 2015

Project Manager, Business Analytics Group, 1 Year

Led the execution of high-impact projects supporting company growth
Vetted Coders, Architects and Developers in support of systemic upgrades
Proposed solutions to logistic weaknesses that were innovative and creative
Provided managerial leadership on process improvements to ensure mission successes
Presented formal training and briefings to large groups with executive leadership in attendance

Company Controller, Accounting Section, 1 Year

High level financial oversight of book-keeping, budgeting and contract funding
Wrote correspondent communications (email, letters, memos) at an executive level
Influenced the ‘buy-in’ for major infrastructure projects by persuading decision makers
Assessed the financial condition of the company and presented the assessment to executives

Operations Team Lead, Subcontractor Management Group, 1 Year

Drafts agreements, statements of work and scopes
Recruited, sourced, qualified and trained subcontractors
Hosts information briefings and records results with accurate reports
Conducts after action reviews and memorandums, task tracking documents and decision briefs
