All About New Haven Style A'pizza Facebook Group

2020 to present

Started with a simple idea to get people's minds off of COVID and politics and talk 100% about pizza, specifically New Haven Style.

- Created a safe place for people to go and talk about pizza, find how-to's, share opinions of their favorite pizzerias, share old pictures of pizzerias they used to go to, etc.
- The biggest success is seeing members make their own pizza at home with The Pizza Gavone's DIY pizza making videos and then showing off their photos of their pies on the group.
- Group currently has over 14,000 Members.
