

Education:

Saint Louis University 2017 - 2021

Graduated Summa Cum Laude, Overall GPA 3.96
Bachelor of Arts in Communication: Journalism & Media Studies Concentration
Bachelor of Arts in Theatre

Skills:

Customer Service, Public Speaking, Group Instruction, Microsoft Office Suite, Visual Art & Design, Teaching and Tutoring, Financial Record-Keeping, Event Planning, Writing, Editing, Safety-Monitoring

Work Experience (Selected):

Art Instructor / Event Host - *Painting With A Twist, January 2022 - Current*

Uses public speaking skills and art expertise to guide large groups of guests through the process of creating complex paintings.

Provides guidance and instruction while maintaining a laid back and positive environment for guests, including those with minimal art experience.

Independently manages cleanup and closing duties after each event.

Office Staff - *Painting With A Twist, March 2022-Current*

Maintains a clean, organized, and well-stocked studio space. Sets up visually-pleasing art displays and class supplies prior to events.

Manages daily financial records and inventory lists. Utilizes event-booking software to maintain company calendar and create new events.

Provides friendly and knowledgeable customer support by answering phone calls, emails, and online inquiries. Assists customers with event booking, class registration, and party-planning according to the group's needs.

Merchandising Team Member - *Target Inc. September 2021 - December 2021*

Used visual merchandising skills to maintain a clean, organized, and aesthetically pleasing shopping environment.

Fulfilled online orders, providing a convenient shopping experience for clients on the go.

Restocked shelves according to inventory outflow.

Academic Tutor - *Saint Louis University, Aug 2019 - May 2021*

Tutored undergraduate college students in introductory Philosophy & History courses.

Provided concept review, writing assistance, and study tools to foster students academic success.

Adapted to students needs for hybrid-learning and online education based on COVID-19 protocols.
