My name is Elizabeth Bowers

I am extremely interested in starting my modeling career.

I have in studio and on location experience. I've worked alongside a creative team and feel that I would be a good candidate for any potential roles or gigs available. I have experience as a kid model and also for a boutique. I danced for a studio and a company for eight years. That included ballet, pointe, jazz, modern, and contemporary.

For convenience I have included my website portfolio. <http://bowersmodeling.com/>

Thank you so much for your consideration and the opportunity to break into the modeling world.

I look forward to hearing from you.

Sincerely,

Elizabeth Bowers
