Biography

Aaliyah is an outgoing, confident, witty child. A straight A student who loves STEM. She is both a girly girl and a tomboy. A natural when placed in front of a camera. Has acquired years of set etiquette as she has been on film sets and photoshoots since she was a baby. She is respectful and always follows direction well. She loves to learn and is eager to please and exceed expectations. She has been told by many that she is wise beyond her years. She is kind to others. She is a passionate, dedicated and hardworking. She is focused, observant, a problem solver and is adaptable and keeps a positive attitude in any situation (good or bad). She is a fun, easy going, and professional little girl that makes collaborating with her memorable and enjoyable.
