Actress/Dancer/Model/Theatre Performances

Born in Washington DC, I started performing and training in dance, theatre, acting, and voice at the age of 5 with the Center Stage Academy for the Arts. By the age of 8, I performed as a solo artist, opening for some of the top recording artist in the world. At 9, I have been featured in short films, promos, and commercials. I continue to grow and strive to be a great actress and performer.

Delivering Excellent Entertainment!!!

"For me, our job as artists is to serve the story, serve the director, and serve the fellow actors. And if you do that, by osmosis you're serving yourself because you'll get the best out of yourself."

-David Oyelowo
