**Acting Management**

**Experience-** I've been in 2 musicals throughout my life. One was called Alice in Wonderland, and I was a background dancer, and another one was called Urinetown, where I played a UGC executive.

**Education and training-** I currently attend Georgia State University. I took a theater arts class in the 6th, 10th, and 11th grade. I ran track for the majority of my life, in school and on a summer track club team. I've had 6 years of dance experience in and outside of school.

**Skills-** Memorize lines, very creative, can make a British accent, understand a character, dance, sing, run, hold breath underwater, understand the emotion of the character, play basketball, play volleyball, understand acting techniques, jump rope, ride a bike, walk in heels, cry on cue, understand a scene, sing, play soccer, jump hurdles, high jump, read, write, draw, roller skate, dance, snap, swim, kick, style hair, and do makeup.

**Objective-** I would like to be a professional actress and model. I'm willing to give it my all, with all my personality and confidence. I want to make a name for myself, and show the world my talent. I want to leave an effect on individuals when they watch me on tv, and have them remember me and the character. I would like to be an influential person for everyone who wants to be in the acting industry.
