## Summary

---

I am a confident young actor, who has been in many stage shows. I can sing very well and love the art of acting. I have dreamed for many years to be a part of a movie or TV show and I would love if I could audition

## Experience

---

I have recently starred in two stage shows they are:

Peter Pan Jr with MYTH Productions. I played a lead role as Micheal Darling and sang many songs.

Annie Jr with Ross Intermediate School. I played a supporting role as Officer Ward and Bert Healy. I sang backstage in all the songs and had a hard role to play.

In 2022 for 5 days, went to an acting holiday program. The Centerpoint Holiday Program was a 5-day program to help kids grow to pursue acting. We learnt many tips and preformed 3 scenes from the show Seussical Jr where I played, The Mayor, A Bird Girl, and a Who. We also learnt a dance and sang 'Be Back Soon' from Oliver Twist.
