Profile

I didn't have the financial means growing up to go into the arts and pursue acting as I'd hoped to do. However, it's always been a "pocket passion" of mine. Although I'm starting very late, I'm going for it! I'm passionate, determined, friendly, energetic, a quick learner, and looking for a chance :) (I would prefer not to do sex/nude scenes or drop the f-bomb often). Thank you!
