I started my stage career as a soloist at The Metropolitan Opera in La Juive, followed by performances in La Boheme, Othello, Turandot, and Andrea Chenier. I continued my stage journey as a classically trained pianist and received a full scholarship at the New Jersey Performing Arts Center to train with Karina Bruk, Head of Rutgers University Mason Gross School. I've always loved storytelling, sharing, and performing. I continue to train as an actor and share my passion with audiences in tv and film.
