Where have I trained professionally?

Brian Lally's Meisner Class

Los Angeles, CA

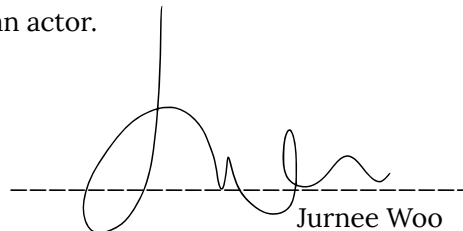

What I'm good at:

Sports (Track & Field, Olympic Weightlifting, Basketball, Skateboarding, Soccer), Physical Fitness, Improvisation, Communication, Multiple Languages (American English, American Sign Language, Spanish), Accents (Southern, Spanish), Precision Driving, Camera Performance, Stage Performance, Culinary Arts, Cooking, Knife/Cutting Skills, Horseback Riding, Archery, Hiking, ADR/Lip Synching

What I'm about:

My job is to take direction, provide action, and become the best at doing both, passionately. I take pride in performing and have been acting professionally ever since I've graduated from university. Thanks to track and field, I've been on big stages before and I enjoy applying that same discipline I've learned as an athlete to my career as an actor.

Thank you for your time! ;Ciao!
