EXPERIENCE

As I child I was with the Child Performing Company Australia (CPCA) and was represented by them as an agent which helped me to feature as an extra in various commercials and the box office film 'Knowing.' I was also put through the 'Model Academy' course when I was 15 to train me on how to present, pose and speak in front of the camera. Since then I have gone on to complete various acting and modelling jobs as well as keeping up my training and commitment. Some of my main clients have been Red Rooster, Priceline, Myer and Worksafe recently.

I competed in Miss Universe 2017 at the age of 18 and was a VIC state finalist. I am a current Victorian Miss World Australia finalist for 2022-2023. I have experience going to castings not only through modelling but also acting. I also am currently studying Human Resources so I am a great communicator, and am great with people. I am very self driven, and motivated to succeed. I am always highly professional, and pride myself by being organised, on time and super friendly.

I decided to get back into Acting and steer away from Modelling and Pageantry as I find acting more fun and fulfilling. My recent roles between 2021-2022 have been in the Red Rooster commercial, Uber Eats Commercial Australian Open commercial and a Work Safe commercial. I have attended Brave Studios for acting workshop training with Lyndelle Green and Elle Mandalis.
