## Professional Summary

Aspiring Voice Actor with a passion for animation and video gaming. I have years of experience as a content creator on Twitch & Youtube. I have a drive & passion in performing. I am adept in bringing characters to life whether it be in front of a camera or through voiceover.

## EXPERIENCE & PROJECTS

### **Twitch, Phoenix AZ — Live Streamer**

July 2019 - PRESENT

- Years of experience in front of a live audience performing scripted skits as well as improvised bits.
- I have developed a wide breadth of knowledge as well as the practical application of hardware and software including: Adobe Premiere Pro, Adobe Photoshop, Adobe Audition, Adobe After Effects, Stream labs OBS, Voice Mod, Blue Yeti Microphones, Wireless Lavalier Microphones, Lighting, Green Screen and Motion Capture.

### **Youtube & Tik Tok, Phoenix AZ — Content Creator**

September 2019 - PRESENT

- Created multiple bits of content on youtube & Tik Tok.
- Did all of the editing including; sound engineering, video editing, and graphic design.

### **Carrington College (Windsong productions), Phoenix AZ — Productions Assistant**

- Production assistant on a remote film set with 2 separate locations.
- I assisted the head photographer as well as the grip and the head videographer.

### **Gretchenvobham (Gretchen Johnson) — Voice Over Actor**

- Provided Voice Over for 5 projects within the Education and Narration space.
- Recorded live online with recording partner and edited as well as exported mp3 through adobe audition.
